In Schedule I annexed to the said notification, under the heading "C—OTHER SPECIAL CONSIGNEES" and sub-heading "(b) Diplomatic and Consular Officers etc.", the entries against Serial Nos. 46, 46A, 46B, 46C, 47A and 48 shall be omitted.

[No. 5.]

[No. F.1(13)/Cus.IV/53.]

*New Delhi, the 12th January 1957*

**S.R.O. 100.**—The following draft of certain rules which the Central Government proposes to make in exercise of the powers conferred by section 43B of the Sea Customs Act, 1878 (8 of 1878), as in force in India and as applied to the State of Pondicherry, is published, as required by sub-section (3) of the said section, for the information of persons likely to be affected thereby; and notice is hereby given that the said draft will be taken into consideration on or after the 12th February, 1957. Any objection or suggestion which may be received from any person with respect to the said draft before the said date will be considered by the Central Government.

#### DRAFT RULES

1. **Short title.**—These rules may be called the Customs Duties Drawback (Dyestuffs) Rules, 1957.

2. **Definitions.**—In these rules, unless the context otherwise requires,—

(a) 'the Act' means the Sea Customs Act, 1878 (8 of 1878);

(b) 'goods' means Arlindone Green IB Powder, manufactured in India or the State of Pondicherry by a registered manufacturer and in the manufacture of which imported pyridine base and chlorosulphonic acid have been used;

(c) 'imported materials' means pyridine base and chlorosulphonic acid imported into India or the State of Pondicherry by a registered manufacturer on payment of customs duty;

(d) 'quarter' means a period of three months beginning with the first day of January, the first day of April, the first day of July or the first day of October;

(e) 'registered manufacturer' means a manufacturer of goods, in India or in the State of Pondicherry, registered under rule 4.

3. **Materials in respect of which drawback may be allowed.**—Subject to the provisions of the Act and these rules, a drawback shall be allowed in respect of the imported materials used by a registered manufacturer in the manufacture of goods exported from India or the State of Pondicherry:

Provided that the goods are packed by the registered manufacturer in tamper-proof sealed containers so as to prevent the goods being substituted by others.

4. **Registration of manufacturers.**—(1) A drawback under these rules shall apply only to such goods as have been manufactured by a person who has been registered under, and for the purposes of, these rules by a Chief Customs Officer authorised in this behalf by the Chief Customs authority (hereinafter referred to as the authorised Chief Customs Officer).

(2) An application for registration shall be made by a manufacturer of the goods to the authorised Chief Customs Officer furnishing particulars regarding the quantity and proportion of each of the imported materials used in every one hundred pounds of the goods manufactured by him and such other particulars as the authorised Chief Customs Officer may require for the purposes of these rules.

(3) The authorised Chief Customs Officer may, if he is satisfied that the provisions of these rules have been complied with, register the applicant as a manufacturer under, and for the purposes of, these rules.

(4) Subsequent to such registration, a registered manufacturer shall not vary the composition, that is, the unit or units, or the quantity of the different imported materials used in the manufacture of the goods in respect of which he is registered, except with the prior approval of the authorised Chief Customs Officer.

(5) Any variation of the composition in contravention of the provisions of sub-rule (4) shall render the registration of the manufacturer liable to cancellation without prejudice to any other penalty to which he may be subject under the Act.

**5. Rate of drawback.**—(1) Where the Customs Collector is satisfied that a claim for the drawback is established under these rules, such drawback shall be paid at the rate hereinafter indicated.

(2) The rate of drawback of duty admissible for every one hundred pounds of the goods shipped under claim for drawback under these rules shall be seven-eighths of the average duty paid on forty-five pounds of pyridine base plus seven-eighths of the average duty paid on eighty-six point two pounds of chlorosulphonic acid calculated on the basis of the value of, and duty paid on, the imported materials, imported during a period of six months (or such longer period as the Customs Collector may deem necessary) immediately preceding the quarter in which the rate of drawback is calculated.

(3) Such rate shall be determined by the authorised Chief Customs Officer, during every quarter on the basis of statements furnished by the registered manufacturer and duly verified by a Customs Officer of the value of all or any of the imported materials imported during the preceding six months or such longer period as the Customs Collector may deem necessary, the quantity of the different imported materials actually used in the manufacture of the goods, and the customs duty paid thereon.

(4) Such rate of drawback shall be in force only for the quarter in which it has been determined and shall apply to all shipments of the goods made during that quarter from any port in India or the State of Pondicherry.

**6. Manner of allowing drawback.**—(1) A drawback shall be allowed on the shipment of the goods subject to the following conditions, namely:—

(a) the shipper of the goods shall make a declaration on the relative shipping bill that a claim for the drawback under section 43B of the Act is being made, and shall also attach to the relative shipping bill or bills a certificate from the registered manufacturer of the goods to the effect that the unit or units or the quantity of the different imported materials used in the manufacture of the goods have not been altered subsequent to the registration of the manufacturer except as provided in sub-rule (4) of rule 4;

(b) the shipper shall, in the shipping bill, furnish, in addition to the particulars required under section 29 of the Act, such additional particulars as may, in the opinion of the Customs Collector, be necessary for the purposes of these rules, and in particular, the Customs Collector may require such additional information in respect of the following matters, namely—

(i) the description of the goods,

(ii) the name of the registered manufacturer, his registration number and the name of the Chief Customs Officer by whom he has been registered,

(iii) particulars of any brand or trade mark attached to the goods,

(iv) specification, if any, of the imported materials, and

(v) gross weight (that is including the weight of the container) and net weight of each consignment of the goods tendered for export; and

(c) representative samples shall be drawn by a Customs Officer from each lot of goods tendered for export under claim for drawback, for verifying by chemical test or otherwise, the composition of the goods.

(2) No drawback shall be allowed on any of the imported materials used in the manufacture of the goods in respect of which the composition has been altered in contravention of the provisions of sub-rule (4) of rule 4.

**7. Powers of Customs Collector.**—For the purposes of enforcing these rules, the Chief Customs Officer or the Customs Collector may—

(a) require a registered manufacturer to produce any books of account or other documents of whatever nature relating to the use of the imported materials in the manufacture of the goods; and

(b) require the production of such certificates, documents or other evidence in respect of each claim for the drawback as may be necessary.

**8. Access to manufactory.**—A registered manufacturer of the goods in respect of which a drawback is claimed shall give access to every part of his manufactory to an officer of the Central Government specially authorised in this behalf by the authorised Chief Customs Officer to enable him to inspect the process of manufacture and to verify by actual check or otherwise the statements made in support of the claim for drawback.

##### CUSTOMS

*New Delhi, the 5th January 1957*

**S.R.O. 104.**—In exercise of the powers conferred by section 11 of the Sea Customs Act, 1878 (8 of 1878), as in force in India and as applied to the State of Pondicherry, the Central Board of Revenue hereby makes the following further

amendment in its notification No. 117/Customs, dated the 9th September, 1956, namely:—

In the Schedule to the said notification, against the entries relating to Navlakhi port, the following shall be added in column 3, namely:—

“8. The New Jetty constructed by M/s Caltex India Ltd., on Sui creek south of jetty No. 10 meant for ferry passenger traffic.”

[No. 7.]  
[No. F.52/14/56-LCH.]

*New Delhi, the 8th January 1957*

**S.R.O. 105.**—In exercise of the powers conferred by clause (c) of section 9 of the Sea Customs Act, 1878 (8 of 1878), the Central Board of Revenue hereby makes the following rules for the purpose of laying down the procedure for the recovery of customs duty on goods imported free of such duty in the first instance and sold or otherwise disposed of later on in India by the officers referred to in Serial Nos. 1, 2, 3, 4, 5 and 6 in the Notification of the Government of India in the Ministry of Finance (Department of Revenue), No. 3-Customs, dated the 8th January, 1957.

### RULES

**1. Short title, commencement and application.**—(1) These rules may be called the Foreign Privileged Persons' (Regulation of Customs Privileges) Rules, 1957.

(2) They shall come into force on the 8th January, 1957.

(3) They shall apply to the goods exempt from Customs duty in accordance with the notification of the Government of India in the Ministry of Finance (Department of Revenue), No. 3-Customs, dated the 8th January, 1957.

**2. Definitions.**—In these rules, unless the context otherwise requires—

(a) “goods” means all articles imported or purchased locally from bonded stocks free of duty in accordance with the notification referred to in sub-rule (3) of rule 1 and includes—

(i) motor vehicles so imported or purchased, and

(ii) all articles including motor vehicles purchased by any privileged person from another privileged person, on which customs duty has not been paid;

(b) “privileged person” means a person entitled to import or purchase locally from bond goods free of duty, for his personal use or for the use of any member of his family or for official use in his Mission, Consular post or Office;

(c) “non-privileged person” means a person other than privileged person.

**3. Formalities to be observed at the time of clearance of the goods.**—(1) No goods shall be allowed to be cleared free of duty unless in addition to the formalities required to be observed ordinarily for clearing them, exemption from duty, is claimed in writing at the time of the clearance of the goods through customs and such claim is accompanied by an exemption certificate in duplicate in the Form in Appendix I or II, as the case may be.

(2) Such certificate shall be signed by—

(a) the head of the Diplomatic Mission concerned or other Diplomatic officer authorised by him for this purpose, if the goods are meant for official use in the Diplomatic Mission, or by any of the Diplomatic Officers; or

(b) the Consular officer or Trade Commissioner in charge of the Consular post, or office, if the goods are meant for official use in the Consulate or office; or

(c) the privileged person concerned, if the goods are meant for his personal use or for the use of any member of his family.

The certificate signed by the privileged person shall also be countersigned either by the head of the Mission or by the Officer in charge of the Consulate or office concerned or by an officer authorised by him to act on his behalf.

(3) One of the two copies of the exemption certificate referred to in sub-rule (1) shall be sent by the privileged person concerned simultaneously to the Collector of Customs of the port of importation of the goods to which the certificate relates and the other copy shall be sent to the protocol Division, Ministry of External Affairs, Government of India.

(4) Where exemption from duty is claimed in respect of a motor vehicle, in addition to the certificate prescribed in sub-rule (1) an undertaking in duplicate in the Form in Appendix III or IV, as the case may be, shall be given. The provisions of sub-rules (2) and (3) in relation to the signature and counter-signature of an exemption certificate and transmission of copies thereof, shall apply also to the signature and counter-signature, and transmission of copies of the undertaking.

**4. Permission for the sale or disposal of the goods.**—(1) No privileged person shall, without obtaining the prior concurrence of the Central Board of Revenue, sell, or otherwise dispose of, to any privileged person or to any non-privileged person, any goods in respect of which exemption from customs duty was given at the time of their importation or clearance from bond, within three years from the date on which they are imported.

(2) Every application for such concurrence shall be made by the privileged person in the Form in Appendix V, to the Central Board of Revenue through the Protocol Division, Ministry of External Affairs, Government of India.

(3) A copy of the communication of the Central Board of Revenue giving its concurrence to the sale or disposal of the goods shall be sent to the Collector of Central Excise or Customs nearest to the headquarters of the privileged person concerned in addition to each of the officers to whom copies of the exemption certificate, with undertaking if any were sent under rule 3.

**5. Recovery of duty on goods sold or disposed of to non-privileged person.**—(1) Where goods are cleared free of customs duty by a privileged person and they are sold or otherwise disposed of by him to a non-privileged person within three years from the date of their importation, customs duty shall be recovered from such privileged person by the Collector of Central Excise or Customs nearest to the headquarters of the privileged person concerned. The duty to be recovered shall be assessed in consultation with the Collector of Customs of the port at which the goods were imported at the rates of duty in force, and on the basis of the value at the time of importation of the goods.

(2) The privileged person concerned shall furnish such relevant information and documents relating to the goods as the officer who is to recover duty under sub-rule (1) may require and shall also arrange to produce the goods desired to be sold or sold before that officer or any customs officer for inspection so as to enable that officer to make a correct appraisalment of the value of the goods for the purpose of assessing them to duty.

(3) As soon as the amount of duty leviable has been paid, all the other authorities who received copies of the certificate together with the undertaking, if any, in respect of the goods, shall be informed of this fact by the Collector who makes the recovery.

**6. Sale or disposal of goods to privileged person.**—(1) Where goods which were cleared free of customs duty by a privileged person are sold or otherwise disposed of by him in favour of any other privileged person within a period of three years from the date of their importation, it shall be the duty of the privileged person selling or disposing of such goods to obtain from the privileged person buying or taking them, an exemption certificate in duplicate as required by sub-rules (1) and (2) of rule 3, and in the case of a motor vehicle, also an undertaking in duplicate as required by sub-rule (4) of the rule and to forward copies thereof to the persons referred to in sub-rule (3) of the rule; and in every such case, a report shall be sent to the Central Board of Revenue by the privileged person selling or disposing of the goods as well as by the privileged person buying or taking them.

(2) The provisions of this rule shall apply to the goods sold or disposed of under sub-rule (1) as often as they are sold or otherwise disposed of by a privileged person to another privileged person:

Provided that this rule shall cease to apply to such goods after the expiry of three years from the date of their importation.

**7. Powers of Collectors.**—A Collector of Customs or Collector of Central Excise may adopt such procedure as he thinks necessary for the purpose of giving effect to these rules.

## MINISTRY OF IRRIGATION AND POWER

*New Delhi, the 2nd January 1957*

**S.R.O. 118.**—In exercise of the powers conferred by section 3 of the Indian Electricity Act, 1910 (9 of 1910) the Central Government hereby grant to the West Coast Electric Supply Corporation, Ltd., having its registered office at 20, Second Line Beach, Madras—1, the following licence to supply electric energy in the area specified therein:—

### THE MAHE ELECTRIC LICENCE, 1955

Subject to the provisions of the Indian Electricity Act, 1910 (9 of 1910) and the rules thereunder and the Electricity (Supply) Act, 1948, (54 of 1948) as applied to the French Establishments, licence is hereby granted to the West Coast Electric Supply Corporation Ltd., to supply electric energy in the area with the powers and upon the terms and conditions specified below:—

**Interpretation:**—The several words, terms and expressions to which meanings are assigned by the Indian Electricity Act, 1910 (9 of 1910) and the rules made thereunder and the Electricity (Supply) Act, 1948 (54 of 1948) shall have, in this licence, the same respective meanings, provided that, in this licence.—

- (i) The expression, "the Electricity Act," shall mean the Indian Electricity Act, 1910 (9 of 1910) and "the supply Act" shall mean the Electricity (Supply) Act, 1948 (54 of 1948) with the statutory modifications thereof.
- (ii) The expression, "The Licensee" shall mean and include the West Coast Electric Supply Corporation, Limited, Madras, and his permitted assigns.
- (iii) The expression "deposited map" shall mean the plan showing the area of supply or the streets or routes along which electric supply lines have compulsorily to be laid, all hereinafter specified, which have been deposited with the Central Government in pursuance of the rules under the electricity Act and which plans are signed for the purpose of identification by the Secretary to Government of India, Ministry of Irrigation and Power and by the applicant under the name and style of THE WEST COAST ELECTRIC SUPPLY CORPORATION LIMITED.
- (iv) The expression "Unit" shall mean the quantity of energy contained in a current of one thousand amperes flowing under an electromotive force of one volt during an hour.

**3. Commencement of Licence.**—The date of commencement of this licence shall be deemed to be the 7th July, 1955.

**4. Security.**—(i) The period within which, under Clause I (a) of the Schedule to the electricity Act, the licensee shall show that he is in a position fully and efficiently to discharge the duties and obligations imposed on him shall be six months.

(ii) The period within which, under Clause I (a) of the Schedule to the Electricity Act, the licensee shall deposit security and the sum to be deposited shall, unless otherwise ordered by the Central Government, be six months and Rs. 5,000 respectively.

**5. Area of Supply.**—The Area within which the supply of electric energy is authorised by this licence is the portion of the ex-French territories of Mahe, and as delineated in red on the deposited map.

**6. Purpose of Supply.**—Subject to the provisions of this licence and the Electricity Act and the rules made thereunder, the licensee shall be entitled during the continuance of this licence to supply energy within the area of supply for all purposes:

Provided that any prospective consumer within the licensed area having a connected load of 150 h.p. or more may, if in the opinion of the Central Government it is deemed necessary, be supplied with electric energy in bulk at high tension by Government of Madras direct;

Provided further that no supply of energy shall be commenced until the licensee's works have been inspected by the Electric Inspector and passed by him in writing and until the Central Government have approved (i) the form of requisition to be made by owners or occupiers of premises for supply of energy; (ii) the form of written contract or agreement with the licensee agreeing to take a supply of energy; and (iii) all miscellaneous charges incidental to such supply, and also until the Central Government have been duly notified of the amounts of all retail rates actually to be charged to consumers for energy supplied for various purposes;

Provided further that every change in or addition to the rates shall be communicated to the Central Government at least sixty days prior to its coming into force.

**7. Systems of supply.**—The systems to be adopted for the supply and transmission of electric energy under this licence shall be the following:—

- (a) A medium pressure alternating current three-phase four-wire supply at a pressure at the consumer's terminals of 400 volts between phases and 230 volts between phase and neutral which shall be earthed at one point only on each separate distributing system and at a frequency of 50 complete periods per second.
- (b) A high-pressure alternating current three-phase supply at a pressure of 11,000 volts between phases at a frequency of 50 complete periods per second.
- (c) The neutral points of the high pressure system may with the approval of the Central Government and the concurrence of the Telegraph authority and the Railway Authority be connected to earth:

Provided always that it shall be lawful for the Central Government from time to time, to issue, with due regard to the expenses involved and to the effect upon the commercial prospects of the undertaking, regulations dealing with the above systems of supply or to authorize, subject to such limitations and conditions as shall be prescribed in writing by the Central Government, other systems of supply to be adopted for the purpose of this licence.

**8. Methods of construction.**—The transmission lines, feeders, distributing mains and service lines may be overhead or underground in whole or in part and shall be erected, constructed and maintained by the Licensee in strict conformity with the Electricity Act and the rules thereunder and the following provisions:—

- (a) No works including additions or alterations shall be commenced by the Licensee unless the methods of construction proposed to be adopted have previously been approved in writing by the Electric Inspector.
- (b) The licensee shall not use overhead mains at any higher pressure than medium pressure without the sanction in writing of the Electric Inspector in each case and subject to any conditions or limitations which the Electric Inspector may prescribe.
- (c) In any streets, which may at any time be hereafter named in writing by the Central Government, all electric supply lines shall be laid underground.
- (d) Where an electric supply line crosses or runs along the routes of taboot, temple-car or similar religious processions, it shall be laid underground or at such height as will allow of the free and safe passage of those processions.
- (e) Post for overhead lines shall not be erected without the previous permission of the Electric Inspector in such portions of streets or thoroughfares where the clear width for vehicular traffic after the post is erected is less than 14 feet.

- (f) In narrow lanes through which wheeled traffic is not permitted, the posts shall be placed on the extreme edge of the lane and a special construction to be approved by the Electric Inspector adopted to keep the Wires inaccessible from every building.
- (g) In any street or its direct continuation in which overhead lines are run, such lines shall, except with the previous permission of the Electric Inspector be run throughout on one side only.
- (h) Where overhead mains are used, due precautions shall be taken by the licensee to avoid any possible interference with the adjacent telegraph or telephone circuits due to inductive effects.
- (i) For the purpose of Rule 68(2) of the Indian Electricity Rules, 1937, the maximum wind pressure shall be taken as 15 lbs. per square foot and the maximum and minimum temperatures shall be 130°F and 50°F respectively.

**9. Receiving, transforming and distributing stations.**—The receiving, transforming and distributing stations shall be located in the area of supply under this license.

**10. Compulsory Works.**—(a) The Licensee shall lay down suitable and sufficient transmission lines, feeders and distributing mains and shall do all other works necessary for the commencement of the supply and to the satisfaction of the Central Government, throughout such streets or parts of the streets as are mentioned in the Annexure and as indicated in red on the deposited map. In case of difference between the description in the Annexure and as indicated on the deposited map, the latter shall prevail. The Licensee shall commence to execute the works aforesaid within one year from the commencement of the Licence and shall complete the same within three years thereof.

(b) Subject to the provisions of clause V(i) of the Schedule to the Electricity Act, and within six months from the receipt of the application from the parties referred to therein, the licensee shall lay down suitable and sufficient additional transmission lines feeders and distributing mains as may be required to effect a supply to every applicant, village or community, within the area giving a gross return of not less than 15 per cent. of the capital outlay for such extensions.

(c) If the licensee fail to comply with the above provisions or, should in the opinion of the Central Government the progress made during any portion of the said period of three years be unsatisfactory, the licence may be revoked and the security furnished as per Clause 4(ii) above forfeited.

(d) The licensee shall submit reports to the Electric Inspector every six months, from the commencement of the licence until the completion of the compulsory works, specifying all steps taken and the progress made in carrying into effect this licence.

**11. Breaking up of streets and railways and crossing of waterways.**—(a) The licensee is hereby specially authorized to open and break up the soil and pavement of the Southern Railway at such points and places and to such extent only as shall have been previously approved in writing by the Central Government after the licensee has notified the persons who are entitled to work the said railway and after all representations or objections received in accordance with any such notice have been considered by the Central Government.

(b) The length of the trenches to be opened on any street at any one time and the period for which they may remain open shall be determined from time to time by the Central Government or the local authority by which such streets are repairable. When any street is crossed not more than half the width of such street shall, without the specific authority in writing of the Central Government or the local authority as aforesaid, be closed for traffic.

(c) The licensee is further authorised to cross all rivers, streams and irrigation channels within the area of supply in accordance with such conditions as the Central Government may impose.

**12. Rates to be charged in respect of supply of energy.**—The rates for sale of electrical energy shall be subject to the provisions of Section 57 and the sixth schedule to the Supply Act.

**13. Hours of supply.**—The Licensee shall maintain continuous supply of energy for 24 hours a day.

**14. Appointment of Engineers.**—The Licensee shall employ an Electrical Engineer in technical charge of the undertaking possessing a recognised degree or diploma in Electrical Engineering from a recognised University or College and such practical experience as the Central Government may specify or approve in this behalf.

**15. Continuity of service.**—It shall be the duty of the licensee to give to the nearest magistrate immediate and full information of any circumstances in which interruption of the supply may be apprehended as a result of civil commotion or disturbance of the public peace or any strike or lock-out of the nature specified in Section 22 of the Industrial Disputes Act, 1947 (14 of 1947).

**16. Purchase of undertakings.**—(a) The option of purchase given by Section 7, sub-section (1) of the Electricity Act, shall first be exercisable on the expiration of twenty years from the commencement of this licence and on the expiration of every subsequent period of seven years during the continuance of this licence. The percentage of the value to be determined in accordance with and for the purpose of sub-section (i) of Section 7 of the Act of all lands, buildings, works, materials and plants of the licensee therein mentioned to be added under the second proviso of the sub-section to such value on account of compulsory purchase shall be twenty per centum.

(b) During the period of notice prescribed in Section 7(4) of the Act, all extensions and outlays of money debitable to the capital account of the licensee shall be subject to the previous approval of the Central Government.

**17. Variation from the Schedule to the Electricity Act.**—In pursuance of Section 3, sub-section (2), Clause (f) of the Electricity Act, it is hereby expressly declared that Clause IX of the schedule to the Electricity Act shall be excepted from incorporation in this licence.

**18. Assignment of licence.**—At any time after the commencement of the licence the licensee may assign this licence or transfer the whole of his undertaking in respect of which this licence is granted (including all lands, buildings, works, materials and plant of the licensee) to a company formed or to be formed and registered in the Indian Union having authority to take over the licence and the said undertaking as the case may be and to exercise the powers and perform the obligations given to or imposed upon the licensee under this licence and the Electricity Act and rules made under the Electricity Act and, on such assignment or transfer, the rights, powers and authorities, obligations and liabilities of the licensee shall be assigned and transferred to and shall be exercised by and shall attach to such company formed or to be formed as aforesaid:

Provided—

(i) that a complete statement of the terms of the proposed assignment is placed before the Central Government and that no charge on account of premium or, in the case of an undertaking not carrying profits, of goodwill shall be included in the terms of assignment, and

(ii) that no assignment shall be made without the previous consent in writing of the Central Government.

**19. Revocation.**—If the Licensee fails to give such immediate and full information as required by clause 15 of this licence or fails to comply with any of the provisions of this licence or if, at any time any interruption of the supply occurs which, in the opinion of the Central Government, could, by exercise of reasonable care, have been prevented by the Licensee, or if the general direction and control of the licence ceases to be in the hands of the citizens of India, the licence may be revoked.

**S.R.O. 131.**—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal, Delhi, in the matter of an application under section 33-A of the said Act from Shri Prem Nath Tandon, a workman of the Punjab National Bank, Limited.

**BEFORE SHRI RAM KANWAR CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, DELHI.**

REFERENCE No. LR. 100 (98) DATED 2ND SEPTEMBER, 1953.

*In the matter of an Industrial Dispute between the Employers in relation to the Punjab National Bank Ltd., and its workmen.*

(Application under Section 33A of the Industrial Disputes Act.)

Shri Prem Nath Tandon,

*Versus*

Punjab National Bank Ltd.

PRESENT:—

Nemo for the petitioner.

Shri M. K. Jain for the Bank.

**AWARD**

Under the Cashier Contractor System, Shri Prem Nath Tandon petitioner about 8 or 9 years ago entered the service of the respondent Bank in its Aminabad Branch Lucknow as a Cashier in pursuance of his nomination by the Cashier Contractor who had undertaken to be responsible to the Bank for his (petitioner's) acts and omissions after obtaining necessary Security from him.

2. When that system came to an end in 1955, the bank directed the petitioner to execute an agreement in a certain form and also to deposit Rs. 1,000 in cash as security within a certain period.

3. Before the expiry of that period, the petitioner filed an application in this tribunal under section 33A of the Industrial Disputes Act, with the contention that change had been made in his service conditions to his prejudice, without the permission of the tribunal which was essential on account of the pendency of proceedings before it relating to an Industrial Dispute between the bank and its workmen.

4. That application was rejected by me as premature. Another similar application was then made by the petitioner's representative under his own signatures and verification; but that was withdrawn by the gentleman when the above defects were brought to his notice.

5. The present application was then made by the petitioner on 21st March 1956 with the allegations that as he did not comply with the directions of the bank relating to the execution of the required agreement and to the furnishing of the required security he was made to make over charge of the post of head cashier and to work as a clerk.

6. The relief claimed by him is that the bank be directed to restore him to the post of head cashier without any change in his service conditions and without compelling him to sign an agreement proposed by it.

7. The bank opposed the application and also contended that it was not competent on account of the rejection of 2 previous applications.

8. After the recording of evidence and the hearing of arguments the petitioner has sent a letter by post to the Tribunal stating that he had executed a bond in favour of the bank in the form agreed upon between the parties and had been posted as a Head Cashier with the result that he does not now want to press his application which is therefore dismissed. The parties have left the question of costs to be decided by the tribunal. In the circumstances of the case, I direct them to bear their own costs and make an award in the terms of the above findings. Let a copy of the award be sent to Labour Ministry, Government of India for necessary action.

## CENTRAL INDUSTRIAL TRIBUNAL, JAIPUR

Before Shri A. N. Kaul, Judge

CASE No. IT/C/1 OF 1956

In the matter of an industrial dispute

Between

M/s. Bejoy Mica Company, Bhilwara

And

Their workmen:

Reference Government of India, Ministry of Labour. Order No. LR-2(49)/55, dated the 5th June 1956.

## APPEARANCES

*For the Company.*—Shri Chandra Kant Kashyap.*For the Workmen.*—Shri Gokal Prasad Sharma.

## AWARD

The Central Government (Ministry of Labour, New Delhi) by their order No. LR-2(49)/55, dated the 5th June 1956 referred to me for adjudication, an industrial dispute between M/s. Bejoy Mica Company, Bhilwara (hereinafter called the Company) and their workmen in respect of the matters specified in the Schedule annexed thereto. The matters so specified are as follows:—

1. Bonus at the rate of four months' wages for the years 1951-52 and 1952-53.
2. Increased wages for cutters, underground workers and surface workers.
3. Grant of ten days' sick leave and seven days' casual leave in a year, both with pay.

On receipt of the reference usual notices were issued to the parties directing them to file their respective Statements. A Statement of Claims by the Khan Mazdoor Congress, Bhilwara, representing the workmen was filed on the 10th July, 1956, while the Written Statement on behalf of the Company was received on the 10th September, 1956.

On the basis of the subject-matter of the reference and of the pleadings of the parties the following issues were struck:

1. (a) Whether the accounts of the Company for the period relating to demand No. 1 have been closed and the demand is on that ground belated?
- (b) Whether there is no surplus left with the Company for the payment of bonus for the period relating to demand No. 1?
- (c) If the answer to (a) be in the negative and to (b) in the affirmative whether demand No. 1 is justified?
2. Whether the Khan Mazdoor Congress is not entitled to represent the workmen?
3. Whether no industrial dispute exists and the reference is incompetent?
4. Whether most of the workmen employed during the period referred to in demand No. 1 are no longer employed in the Company and the present workmen are not entitled to represent them?
5. Whether demand No. 2 for increase of wages to Cutters, Underground workers and Surface workers is justified?
6. Whether demand No. 3 in regard to sick leave and casual leave is justified?
7. To what reliefs, if any, are the workmen entitled?

After the framing of issues the parties sought several adjournments on the plea that a compromise was likely to be effected between them and, ultimately, on the 3rd December, 1956, Shri Chandra Kant Kashyap, Manager of the Company representing the management and Shri Gokal Prasad Sharma, Secretary of the Khan Mazdoor Congress, Bhilwara, representing the workmen filed a memorandum of a Settlement entered into by them on behalf of the parties to the dispute. Both the representatives duly verified the terms of the settlement as contained in the memorandum and stated that all the matters in dispute referred for adjudication to this Tribunal by the Central Government had been

amicably settled and that there was no longer any dispute in existence. The memorandum of settlement as verified also contains a term to the effect that the Tribunal be requested to pass an award in accordance with the mutually agreed terms.

In these circumstances, there seems to be no reason why an award based on the terms of settlement in so far they relate to the subject-matter of the reference be not passed by me. I accordingly pass an award in terms of the settlement. The memorandum of settlement marked as Annexure 'A' shall form part of this award in so far as it relates to the subject-matter of the reference.

The 12th December, 1956.

CENTRAL INDUSTRIAL TRIBUNAL, JAIPUR  
BEFORE SHRI A. N. KAUL, JUDGE

CASE No. IT/C/4 OF 1956

In the matter of an industrial dispute

*Between*

M/s. Duduwala & Co., Bhilwara

(in relation to Toonka and Chapper Mica Mines)  
and

Their workmen.

Reference Government of India, Ministry of Labour, order No. LR. II/57-1(6)56, dated the 28th August 1956.

APPEARANCES

For the Company—None

For the Workmen—Shri R. P. Laddha.

AWARD

This is a reference by the Central Government (Ministry of Labour) made to this Tribunal through an order No. LR-II/57-1(6)/56, dated the 28th August, 1956, for adjudication of an industrial dispute between M/s Duduwala & Company, proprietors of the Toonka and Chapper Mica Mines and their workmen in respect of the matters specified in the Scheduled annexed to the order. The matters so specified are as follows:—

1. Whether the workmen who were re-instated are entitled to wages for the period from the 4th May to 8th May, 1956, when they were not at work?
2. Whether the action of the management in requiring that the "Kachra" (waste mica) be removed and cleared from the places of work by the picce-rated mica-cutters on the mines was in order?

On receipt of the order a general notice was issued to the workmen concerned directing them to file their Statement of Claims before the Tribunal individually or through a registered trade union. In response to the notice only Shri Ram Prasad Laddha and Shri Gokal Prasad representing the Khan Mazdoor Congress Bhilwara appeared on behalf of the workmen while Shri Kishan Lal Baldwa appeared on behalf of the management at the sitting of the Tribunal on 26-9-56 at Bhilwara Camp. The representatives of the workmen, however, instead of filing the Statement of claims, sought an adjournment on the plea that talks for

a compromise were proceeding between the parties and that such a compromise was likely to be effected. At the next hearing fixed for the 19th October, 1956 at Jaipur none of the parties appeared nor was any application received on behalf of either of the parties. A further notice for hearing at Camp Bhilwara on the 17th November 1956 was then issued but on the date fixed although Shri R. P. Laddha representing the workmen appeared, he only stated orally that a compromise had been effected between the parties and that no Statement of Claims was to be filed on behalf of the workmen.

In the circumstances, no dispute now seems to exist between the workmen and the employers and the former are entitled to no relief. I give my award accordingly.

ANAND NARAIN KAUL, Judge,
